

"One APS Career...Thousands of Opportunities"

The Australian National Maritime Museum has a skilled and diverse workforce. We value our people, performance, integrity and service. We encourage applications from Aboriginal and Torres Strait Islander people, people with a disability and people from every cultural and linguistic background.

T257 – Senior Mechanical Engineer

Non-Ongoing full time positions for a period of 2 years with a possibility of extension

Location: Pyrmont, Darling Harbour NSW 2009

Executive Level 1: \$89,796 - \$98,904 plus 15.4% superannuation per annum

What will you do?

As part a 3 year sustainability funding grant, provide professional advice and assist in the management of projects and building works that would help the ANMM to reduce energy consumption relating to the Heating, Ventilation and Air Conditioning (HVAC) and Building Management and Control (BMCS).

Provide direction and subject matter expertise in the implementation and delivery of HVAC/BMCS projects/upgrades within the complex environment and layout of the museum's exhibition building.

Ensure all Design, Design and Construct contracts offer the best possible value-for-money outcome, while ensuring services are provided according to the Project's Objectives and specific KPIs.

Located within the Facilities, Support Services and Sustainability Department working under the direction of the Manager of FASSS, the position will operate as part of a professional FM Team that strives to find new solutions for climate control issues, enhance plant equipment's performance while generating energy savings across the museum. Ensure a safe and secure place for the public to view and engage with the museum and its collection, provide a safe working environment for staff, volunteers and contractors.

Applications Close: 11:30 pm AEST, Sunday, 20 August 2017

Contact Officer: Rene Hernandez, Manager FASSS, Facilities, Support Services and Sustainability, Operations Division Telephone No: 02 9298 3637
