

**ST VINCENT'S
PRIVATE HOSPITAL**
SYDNEY

Rehabilitation Registrar

Location: Darlinghurst, Sydney

Type: Permanent

Reference: JR103864

Recognised as one of Australia's leading private hospitals, St Vincent's Private Hospital is a world-class medical and surgical facility and provides overnight and day only care across a broad spectrum of specialties. The 310-bed hospital cares for local, national and international patients. Our values derive from the mission and traditions of the Sisters of Charity. Firmly grounded in the Christian tradition, these are translated in to our values and are at the core of our workplace Culture.

Our Hospital is a designated Magnet facility demonstrating a high level of leadership, employee empowerment and professional practice creating an exciting and innovative place to work.

We are part of St Vincent's Health Australia, the nation's largest Catholic not-for-profit health and aged care provider and for over 105 years we have worked in partnership with our patients and their families. Our vision is to serve the community through excellence in care, teaching and research and to reach out to the poor and the marginalised.

The Opportunity

This STP funded position is ideal for a trainee at any stage of training, who wishes to get a varied Rehabilitation experience tailored to your specific training level.

You will work closely with a number of senior Rehabilitation Physicians. You will get exposure to a varied casemix through consults, stroke unit, home and ambulatory rehabilitation, and inpatients. This position offers extensive teaching and learning opportunities through one-on-one clinical teaching, Rehabilitation Registrar teaching at St Vincent's Public Hospital and other formal and informal education sessions offered across the campuses.

The Registrar will spend three days each week at St Vincent's Private Hospital (Darlinghurst), and two days at the Mater Hospital (North Sydney).

About You

- MBBS or equivalent
- AHPRA Registration
- Registered trainee with the Australasian Faculty of Rehabilitation Medicine (AFRM)

The Benefits

We offer all employees the ability to maximise their income by reducing tax payable through salary sacrificing. We also offer our employees career-pathing and ongoing development and learning.
