

Murdoch
UNIVERSITY
PERTH WESTERN AUSTRALIA

ITS Business Analyst Information Technology

- **Continuous Full time position**
- **Level H0708 | Salary Range \$81K-\$106k plus 17% employer superannuation contributions**
- **Salary Packaging opportunities**
- **Ref: 1501E04/201827**

Information Technology Services (ITS) has responsibility to plan, build and run Murdoch's central information and communication infrastructure. From overall IT strategy, business driven projects, service desk, communications and educational support. ITS manages a wide range of services for the university community.

The Role

In this role, you will work with the designated business areas to understand and identify issues and improvements that could be assisted by the use of Information Technology applications and systems. The position will also be a key contributor in the development and implementation of projects. For further information about this position, please refer to the Position Description.

Skills and Experience

- Postgraduate qualifications and extensive relevant experience, or an equivalent combination of relevant experience and/or education/training.
- Proven track record in business analysis
- Demonstrated ability to develop quality business requirements documentation, process maps, training material and user guides.
- Proven ability to earn the trust of sponsors and facilitate stakeholder partnerships, providing sound judgement, and agility to change based on business requirements.
- Experience with project and change management methodologies and knowledge bases including Prince2, PMBOK and Prosci.

Think Murdoch

This is a great time to join Murdoch. There are a multitude of opportunities and exciting projects that are presented by the State Government Activity Centre on our doorstep. The co-location of the New Fiona Stanley Hospital and the St John of God Hospital provide many synergies for our learning and teaching, research and community engagement.

Murdoch University values workplace diversity, promotes inclusion, and strongly encourages applications from Aboriginal and Torres Strait Islanders, women, and individuals with disability. Applicants, who have support or access requirements, are encouraged to advise this at the time of their application, to ensure the required assistance is provided.
