

## **Indigenous ABC News Operations Trainees 2018**

Come and join the ABC! We are now recruiting for our 2018 ABC News Operations Trainees, one of the most sought-after paths to a career in news production in Australia. This is an excellent two-year training program in digital, television and radio news gathering techniques, which includes intensive workshops, mentoring and on-the-job training.

We're looking for enthusiastic individuals with a strong interest in news production and a willingness to learn new skills. Some experience in digital and/or broadcast media technology and equipment would be highly regarded but is not essential.

### **About You**

- An enquiring mind and a passion for News production.
- Aptitude for photography, cinematography, audio production, video editing and/or digital content creation.
- Well-developed communication and interpersonal skills
- Strong commitment to teamwork and ability to take direction.
- Knowledge and understanding of Aboriginal and Torres Strait Islander cultures.

### **Why The ABC?**

You will be able to start your career in a friendly and supportive environment. You will work with a vibrant, dynamic and cohesive team with a manager who will provide you with the best training to ensure a rewarding and fulfilling career in Journalism.
