### About us

At the Australian Building and Construction Commission (ABCC) we work to ensure the building industry is fair, efficient and productive. Our improved workplace relations framework benefits all industry participants and the Australian economy.

We work to achieve this framework by providing assistance, advice and education to the industry; monitoring and promoting compliance with relevant laws; undertaking enforcement activities; and using information and analysis to inform decision making.

### About the Position

The ABCC is a national organisation that operates through four geographic regions. Each region has investigators and lawyers who undertake the work of the agency within that region. The ABCC has an exciting opportunity for a senior lawyer to fill the role of Regional Legal Manager for the Northern Region.

In this role, you will be responsible for the day-to-day conduct of legal matters within your region and deliver high level legal services as part of a multidisciplinary team consisting of lawyers, investigators and support staff.

You will provide timely legal advice and assistance to investigators during investigations into suspected contraventions of relevant workplace laws, manage civil penalty litigation and provide practical and strategic advice about the conduct of litigation. In addition, you will conduct legal research and work with the Office of the General Counsel to contribute to the ABCC's national legal practice.

Your ability to lead and mentor staff to provide sound legal advice and services will be highly regarded. In addition, you will have a minimum of five years post admission experience as a legal practitioner. Some interstate travel may be required in the position.

At the ABCC, we recognise, appreciate and seek to harness our people's individual skills and talents. You will thrive in our vibrant, down to earth yet stimulating environment that empowers our people to succeed.

### What you'll need to succeed

- Knowledge, or ability to quickly acquire knowledge, of applicable Australian workplace laws;
- Experience in litigation practice and procedure;
- Demonstrated ability to manage and lead a team;
- Ability to provide sound, strategic and practical legal advice;
- Excellent communication and written skills;
- Superior time management and an eye for detail.

### What you'll get in return

We recognise the increasing importance of flexible work options and family friendly work practices in maintaining a diverse, adaptive and high performing workforce. Not only will you receive high quality training and support (both formal and on-the-job), but we also offer an attractive base salary of \$123,153 plus 15.4% superannuation.
