

## Various roles - Systems Implementation, Support and Data Provider Strategies (17/GEEIT)

- Geelong location
- ICT roles
- Roles at APS 4, APS 5, APS 6 and Executive Level 1
- Competitive salary package

Do you have experience in:

- advanced level SQL/SAS/Excel
- behavioural economics/science
- PEGA 7, Conformat and Informatica applications
- data transformation, manipulation and exchange
- the management of IT systems, computer and data sciences
- survey and web design, Indesign or programming skills (e.g. Javascript, Visual Basic, C++)

Several permanent and temporary opportunities are available in the ABS' National Data Acquisition Centre, which manages both business and household survey contact activities, implementing new Information and Communications Technology to support contemporary client engagement and re-engineered data acquisition processes.

Aboriginal and Torres Strait Islander people and people with disability are strongly encouraged to apply.

Applications close on 13 December 2017.

For further information and to apply go to Current Vacancies at [abs.gov.au/careers](http://abs.gov.au/careers).
