

ACON is Australia's leading community-based  
HIV and LGBTI health organisation

---

**We're here to help make the places where our community members live, work, study and play more inclusive of LGBTI people.**

## **Program Manager Pride in Health + Wellbeing, Sydney**

ACON is an inclusive employer offering an innovative, inclusive and welcoming workplace. Pride in Health + Wellbeing is a national support program designed to assist those working within health and wellbeing services deliver LGBTI inclusive care and support. The program sits within ACON's Pride Inclusion Programs alongside Pride in Diversity and Pride in Sport.

We have a great opportunity for a highly engaged, autonomous and proactive health professional to head up this unique program during its inaugural years. The role would ideally suit someone with business development, strategy development & execution and relationship management skills, as well as someone with an understanding of the Australian health care system.

Our staff are the foundation for our ongoing effectiveness. We are committed to our employee's professional development and engagement - ensuring we build our capabilities with people that have the right values, attitudes, skills and knowledge.

If this sounds like the position and the workplace that you've been looking for, find out more at [prideinclusionprograms.com.au](http://prideinclusionprograms.com.au).

**Applications close midnight Sunday 18th November 2018.**

*ACON is an EEO employer and encourages people with HIV, in particular, to apply.*

*\*LGBTIQ=Lesbian, Gay, Bisexual, Transgender, Intersex and Queer*
