

## Aboriginal Health Council

of South Australia Ltd.

*our health, our choice, our way*

# Strategic Development and Corporate Services Executive

**Position No:** 1518

**Location:** Adelaide, SA

**Employment Status:** Full-time

- Use your leadership skills to craft and implement strategic growth
- Develop business opportunities for this influential organisation
- Generous package \$113,262 p.a. plus super & salary sacrifice options!

### The Organisation

The *Aboriginal Health Council of S.A. Ltd. (AHCSA)* is an Aboriginal Community Controlled Health Organisation governed by an Aboriginal Board. AHCSA is a membership-based peak body with a leadership, watchdog, advocacy and sector support role, and a commitment to Aboriginal self-determination. It is the health voice for Aboriginal people across South Australia, representing the expertise, needs and aspirations of Aboriginal communities at both state and national levels based on a holistic perspective of health.

### The Opportunity

AHCSA is looking to appoint a **Strategic Development and Corporate Services Executive** to their leadership team in Adelaide, SA. This is a full-time, fixed term role to **30 June, 2019**.

Reporting to, and working closely with, the Chief Executive Officer, this crucial role will see you develop business ventures in line with AHCSA's strategic plan, manage the financial and other resources of the organisation to ensure strategic outcomes and to maximise effective allocation of those resources.
