

meNTor is a bespoke educational support service designed in the NT to meet the needs of young people currently in the Out of Home Care System as a result of an experience of trauma, adversity and the involvement of Territory Families. meNTor is a 2-year pilot managed by Anglicare NT implemented in partnership with young people, carers, Department of Education and Territory Families. The program will support young people within Out of Home Care to participate in education that enables them to reach their full potential and maximise their life opportunities.

Aboriginal & Torres Strait Islander Mentor

Based in Darwin – Part Time

In the role of Aboriginal and Torres Strait Islander Mentor you will be responsible for improving the education participation and achievement of young people in Out of Home Care. This will be achieved by being a positive role model for young people to engage in mentoring sessions that provide skills that are transferable to the young person's educational goals.

“This position is identified as an Aboriginal and Torres Strait Islander role in line with Anglicare NT Strategic Plan 2019- 2022, Reconciliation Action Plan and Aboriginal Torres Strait Islander Recruitment Strategy.”

Teacher

Based in Darwin – Full Time

In the role of Teacher, you will be responsible for improving the education participation and achievement of young people in Out of Home Care.

This will be achieved by encouraging and supporting young people to become active and independent learners; building partnerships between education, support services, family and carers and the young person; and planning relevant sessions that provide skills that are transferable to the young person's educational goals. Attractive remuneration package on offer for the right candidate based on skills and experience.

For further information on both roles please contact Amie Carrington, Executive Manager - Youth and Families on 08 8985 0000. Applications will be assessed upon receipt
