ATO Graduate program 2020

We're looking for people with the right chemistry to help us administer the tax and super system for the benefit of the Australian community.

As an ATO grad you'll do work that makes a real difference, work that is meaningful, diverse and challenging.

We offer work you can't do anywhere else, excellent benefits and conditions, a competitive salary, flexibility and an opportunity-rich environment.

We are one of Australia's largest public service employers and have offices in all capital cities and some regional centres.

On the grad program you'll work alongside other professionals to shape the future of tax and super in Australia.

We're looking for people who want to:

- Make it easier for people to participate in the tax and super system.
- Do the basics brilliantly.
- Deliver a customer-focused experience to all taxpayers.

We offer:

- an intensive 12-month program
- challenging work rotations to develop skills and explore different areas of interest
- a program manager to support you professionally and personally
- dedicated training and development opportunities
- a competitive starting salary over \$61,000
- advancement upon successful completion of the program
- a supportive workplace culture that promotes diversity and equal opportunity
- an excellent social and networking base with fellow graduates.

Great things come from unexpected pairings - apply now to see where the ATO could take you.

Applications open **28 February 2019 and close 28 March 2019 at 11pm AEDT**. If you require further information visit ato.gov.au/grads
