

Reserve Manager - Pullen Pullen and Edgbaston Reserves

- Help to deliver on our vision of *Healthy Country, protected forever*
- Care for our iconic reserves
- Full time permanent position based in Longreach QLD

This is an exceptional opportunity to make a very real contribution to the protection of Australia's unique wildlife and their habitat.

Bush Heritage Australia, an independent, leading conservation not-for-profit, is seeking a **Reserve Manager**.

Our vision of *Healthy Country, protected forever* sees us work where we are needed most: in areas of high conservation value with low levels of protection. With the help of our donors, we buy and manage land, **so we can protect our irreplaceable landscapes and our magnificent native species forever**.

About the role

This rare and exciting role will be responsible for implementing and leading further development of Bush Heritage's Pullen Pullen and Edgbaston Reserves Management Plans. You will represent and promote Bush Heritage in the region and will also provide advice to Bush Heritage's planning, marketing and operations programs to ensure that the goals of the organisation are efficiently achieved.

Pullen Pullen Reserve is a 56,000 Ha Nature Refuge located in Central West Queensland. Pullen Pullen Reserve has been acquired by Bush Heritage Australia to manage and research the only known population of Night Parrots in Queensland and one of two confirmed in Australia.

Edgbaston Reserve is an 8,100 Ha Nature Refuge in Western Queensland, 140 kilometres north-east of Longreach. It lies within the Great Artesian Basin and is notable for its many artesian springs and their endemic plants and animals, most notably the Red Finned Blue Eye.

Healthy Landscape Manager - Arid Riverine

- Help to deliver on our vision of *Healthy Country, protected forever*
- Coordinate land management activities across the region
- Full time permanent position based in QLD

This is an exceptional opportunity to make a very real contribution to the protection of Australia's unique wildlife and their habitat.

Bush Heritage Australia, an independent, leading conservation not-for-profit, is seeking a **Healthy Landscape Manager**.

Our vision of *Healthy Country, protected forever* sees us work where we are needed most: in areas of high conservation value with low levels of protection. With the help of our donors, we buy and manage land, **so we can protect our irreplaceable landscapes and our magnificent native species forever**.

Currently we own 39 reserves and we protect and help manage 8.86 million hectares of land across the country. In our mission to return the bush to good health, we provide habitat for more almost 6,000 native species, including at least 237 threatened species. Two proven approaches underline what we do: we carefully select, purchase and manage landscapes of high conservation value; and we work in partnership with others, including Traditional Owners, to achieve key conservation outcomes.

About the role

The Healthy Landscape Manager - Arid Riverine is a key regional leadership position based in Longreach, QLD. This exciting and diverse role is responsible for collaboratively coordinating the people, land management and ecological activities across the Arid Riverine Landscape and recovery programs for critically endangered species such as the **Edgbaston Goby, Red-finned Blue-eye** and the **Night Parrot**.
