

POLICY OFFICER

Do you want to help us tackle consumer, credit & debt issues affecting Koori communities across Victoria? Consumer Action Law Centre and the Victorian Aboriginal Legal Service are teaming up to recruit a Policy Officer for our mighty policy and campaigns team. You will be working with both the Consumer Action and VALS teams to identify the consumer, credit and debt issues that communities are concerned about and working with communities to campaign for law reform and changes to industry practices.

Applications close 23 January 2019.
