

**Australian Government**

**Department of Foreign Affairs and Trade**

## **ICT Officer (Specialist)**

**APS Level 3, 4 and 5 (\$60,377 - \$79,720) plus superannuation**

**Corporate Management Group**

**Information Management and Technology Division**

**Various Branches**

**Ongoing, Full-time/Part-time**

**Canberra, ACT**

The Information Management and Technology Division (IMD) within the Department of Foreign Affairs and Trade (DFAT) is seeking energetic and talented people to contribute to the management of DFAT corporate enabling services.

This includes supporting DFAT across a range of corporate and ICT disciplines, including, cyber security; fleet and logistics; records management; print room functions; standard operating environment (SOE) sustainment; virtualisation; server and storage management; collaboration capabilities; database/systems administration; and mobility technologies and communications.

Candidates must be Australian citizens.

This is a security-designated position. Prior to engagement selected candidates will be required to obtain an Australian national security clearance at Negative Vetting Level 2. Ongoing employment with the department requires the successful candidates to maintain a security clearance. Loss of a security clearance at any time will lead to termination of employment.

A face-to-face interview is a critical part of the security clearance process. This interview will be conducted in Australia, preferably in Canberra. If you reside overseas, please be aware that you will be required to travel to Canberra at your own expense to undertake the security clearance interview. Interviews cannot be conducted by video link or Skype.

Depending on the role into which you are placed, you may be required to obtain and maintain a Working with Vulnerable People/Children registration (or equivalent).

Candidates' attention is drawn to the department's policy on recruitment or promotion to specialist positions. This position is categorised as "specialist". If you are recruited to this position, you will be required to remain in your area of specialisation for the duration of your employment with the department, unless you are successful in a subsequent merit-based selection process.

Please visit the DFAT website (**click below**) to view further details of this opportunity.

**Applications close Monday 22 October 2018 at 2:00pm AEDT.**
