

Australian Government

Department of Foreign Affairs and Trade

Security Project Officer (Specialist)

APS Level 6 / Executive Level 1 (\$82,255 - \$114,579), plus superannuation

Services Delivery Group

Security Branches

Security Infrastructure Section

Ongoing, Full-time/Part-time

Canberra, ACT

As a member of a team, you will become an integral member of the department's Security Branch, in a role that demands the highest levels of integrity, judgement and representational skills. You will work effectively in a large team in Canberra and within a small team at posts overseas.

You will be able to identify the relationship between organisational goals and operational tasks within the DFAT Security Framework. You will take initiative, set priorities, respond to change and uncertainty, often within fixed timeframes with competing priorities, to effectively achieve management objectives and team goals.

Candidates must be Australian citizens.

This is a security-designated position. Prior to engagement selected candidates will be required to obtain an Australian national security clearance at Negative Vetting Level 2. Ongoing employment with the department requires the successful candidates to maintain a security clearance. Loss of a security clearance at any time will lead to termination of employment.

A face-to-face interview is a critical part of the security clearance process. This interview will be conducted in Australia, preferably in Canberra. If you reside overseas, please be aware that you will be required to travel to Canberra **at your own expense** to undertake the security clearance interview. Interviews cannot be conducted by video link or Skype.

Depending on the role into which you are placed, you may be required to obtain and maintain a Working with Vulnerable People/Children registration (or equivalent).

Candidates' attention is drawn to the department's policy on recruitment or promotion to specialist positions. This position is categorised as "specialist". If you are recruited to this position, you will be required to remain in your area of specialisation for the duration of your employment with the department, unless you are successful in a subsequent merit-based selection process.
