

## Aboriginal and Torres Strait Islander Dental Assistant Trainee

- Aboriginal and Torres Strait Islander 15 month traineeship
- Complete a Certificate III in Dental Assisting
- Work with an organisation that's closing the gap for oral health

It's the people who make the difference at Dental Health Services Victoria (DHSV).

### **About the role:**

Are you an Aboriginal and/or Torres Strait Islander school leaver looking to kick start your career?

Join us at Dental Health Services Victoria as our Aboriginal and Torres Strait Islander Dental Assistant Trainee and be part of a team making a difference in the community. By joining us, you will combine on-the-job learning with classroom study and complete a Certificate III in Dental Assisting.

We are looking for a trainee to join us for 15 months. Based at The Royal Dental Hospital of Melbourne, your 15 month traineeship will include the following:

- Full-time employment throughout the duration of your traineeship.
- Payment of your course fees and text books.
- Mentoring support from our Aboriginal Liaison Officer.

Learning and development opportunities through rotation across our dental hospital clinics.

### **To join this great traineeship, you must be passionate about:**

- Providing a service and support to your Aboriginal and Torres Strait Islander communities.
- Improving your career after completing your Year 12 schooling.
- Closing the gap on oral health with Aboriginal and Torres Strait Islander communities.

We celebrate our diverse culture and the strength this brings to our organisation. We are committed to closing the gap and are seeking to increase employment representation of Aboriginal and Torres Strait Islander people across our organisation.

***The position is an identified Aboriginal and Torres Strait Islander traineeship and only applications from Aboriginal and Torres Strait Islander people will be considered.***

### **Why you should be a part of our team?**

Our patients come from many different cultures and backgrounds, and treating them is what makes our job so rewarding and challenging. One thing is for certain at Dental Health Services Victoria – you will share the pride and satisfaction of putting a smile on every patient's face.

Besides a high degree of job satisfaction, Dental Health Services Victoria offers salary packaging benefits, onsite café, convenient car parking and easy access to transport links, professional development opportunities and work / life balance.

### **About our organisation:**

Dental Health Services Victoria is the leading public oral health agency in Victoria. Our aim is to improve the oral health of all Victorians, particularly vulnerable groups and those most in need. We provide Victorians with quality oral health care through the Royal Dental Hospital of Melbourne.

We act with respect towards every person or idea we encounter. Together through the strength of our diversity, we create better outcomes for our patients and colleagues.

We are committed to our Indigenous employment and encourage all Aboriginal and Torres Strait Islander people to apply. We are proud to be recognised in 2015 as Best in Indigenous Employment.

We welcome applications from Aboriginal and Torres Strait Islander people, workers of all ages, people with disabilities, people who identify as LGBTIQ and those from culturally and linguistically diverse backgrounds. We acknowledge that diversity increases our ability to transform our organisation to achieve better health outcomes.

We provide services through our Royal Dental Hospital of Melbourne where you will have the opportunity to work with the best oral health practitioners in Victoria. We embrace collaboration because working together helps us to create value that wouldn't be possible through individual effort alone.

Submit your application and be part of a great organisation making a huge difference in the community!
