

## **Australian Government**

### **Department of Defence**

## **Infrastructure Division**

**APS Level 4, 5, 6 & Executive Level 1**

**\$65,133 - \$111,633 (plus super)**

**Brindabella Park, ACT**

Join the Department of Defence's Infrastructure Division. Be part of a team that delivers facilities and infrastructure in support of the activities of over 90,000 Defence personnel across Australia.

To manage the Defence estate, Infrastructure Division sets the estate strategy and policy, strategically plans for all bases across Australia, manages the estate investment program, and reviews, develops and constructs facilities and infrastructure.

We also create heritage and environment policy for all Defence properties across Australia and for Australian forces operating overseas. Property acquisitions, leasing, disposal and management of estate related native title, existing and emerging contamination investigation and management, offshore mining and petroleum exploration issues all fall within Infrastructure Division's portfolio of responsibilities.

If you are focused on delivering outcomes, have an ability to learn and self-reflect and can innovate, adapt and effectively engage with stakeholders we want you.

We are looking for team members and leaders to work across a variety of functions including:

- Project management of major and medium capital facilities.
- Management of the environment and heritage agenda.
- Strategic planning for long term sustainable estate investment and development.
- Management of the current and future direction of real estate including acquisition, leasing and disposal.
- Major contract management.
- Spatial accommodation planning and relocation projects.
- Investigation and management of PFAS contamination across the estate.
- Management of a range of other environmental and estate challenges.

Our work particularly suits people with a background in the management of large projects, property management, environmental science, engineering, urban planning, contract management, policy development, strategic and investment planning and experience in large diverse, national organisations that work across jurisdictions. We are looking for experienced, energetic people to join us. Apply now.

Application Closing Date: Friday 20 April 2018
