## EOI - Engineers of All Levels and Disciplines (Indigenous Australians)

**Location:** VIC, SA, NSW, ACT, QLD, NT, WA

**Work Type:** Full Time

### About Us

Dreamtime Professionals is a 100% Indigenous owned and operated company which provides professional services for the construction industry in Australia. Our trusted relationships and prompt service delivery model allow us to work closely with our customers to design and build new essential infrastructure and facilities.

### Request for Expressions of Interest

Due to upcoming contracts servicing large infrastructure projects, we are currently seeking expression of interests from candidates with engineering and/or construction experience in the following areas:

- **Civil Engineers – SE's / PE's / SPE's / Design Managers / Construction Coordinators**
- **Environmental Engineers**
- **Mechanical Engineers**
- **Electrical Engineers**
- **Mining Engineers**

### What You Will Bring

As a competent professional, you will possess strong commercial acumen and be a proactive communicator with strong leadership skills. Ideally, you will have worked on major projects of value exceeding \$20m.

To be successful in this role, you will have demonstrated experience in your chosen field with strong Project Management, Technical Engineering or Project Supervising/Coordination experience and possess relevant tertiary engineering qualifications or similar.

It is essential that individual applicants hold the residency status of an Australian Citizen or Permanent Resident and be of Aboriginal or Torres Strait Islander descent.

### JOIN A REWARDING CULTURE

We are in a current state of rapid growth and are seeking highly motivated individuals with strong communication skills to join our project delivery and support teams. Our highly inclusive and supportive working environment will provide you with a wide range of employee benefits including

- Attractive Rates or Salary with ongoing opportunities of promotion and career progression.
- Professional Learning and Development.
- Work-Life Balance.
- Mentoring by Industry leaders and Senior Engineers.
- Rewarding and Supportive Culture.
- Free Membership for Engineers Australia or Association of Professional Engineers Australia.
