### Who is GetUp

The GetUp movement is powered by the values and hopes of one million members, movement partners and a central team of expert strategists. Together, we do whatever it takes to make extraordinary impact.

We focus our campaigns on the areas our members care about most in the fields of Environmental Justice, Human Rights, Economic Fairness and Democratic Integrity. From making sure hundreds of thousands of people are able to vote in elections, to successfully stopping major projects threatening the Great Barrier Reef, or securing billions of dollars in new funding for mental health – we have a decade-long history of taking on powerful interests, and winning.

### Our Queensland Organisers will:

- Identify and develop local leadership amongst GetUp volunteers;
- Grow the GetUp membership base in key state and federal electorates;
- Ensure local phone banking and door knocking are well-targeted to make sure the right voters are getting the right contact at the right time;
- Boost GetUp's organisational understanding of local issues and state political dynamics;
- Develop strategic relationships with local journalists and community groups;
- Identify and grow relationships with key local decision-makers; and
- Develop methods and processes to help GetUp's Action Network grow to maximum scale.

### You will be someone who is:

- Passionate about creating progressive change in Australia;
- Has excellent interpersonal skills and care deeply about supporting others to step up into leadership;
- Ambitious and excited about scale - knowing that we need to do more, faster and bigger than ever before;
- Can work quickly both independently and in a team;
- Can be across multiple tasks at once and never drop the ball;
- Are nimble with a can-do attitude and come up with creative solutions to tricky situations.

If even a couple of these criteria speak to you, you could be the perfect person for the job. Formal education, qualifications and extensive experience matter less to us than excellence, initiative and drive.
