

Karabi
Community & Development Services Inc

Community Development Worker

28 hours per week, SCHADS 4.1

Karabi Community & Development Services is a community based organisation which operates in Western Sydney.

Karabi provides a range of community services and activities that seek to increase access and opportunities for diverse community groups including vulnerable children, families, young people, older persons, carers and people with a disability together with general community development initiatives.

Karabi is seeking applications from motivated persons for this role position:

Working from our Karabi Constitution Hill Centre this position will be responsible for researching, planning and addressing community needs and the development of strategies using a community development framework that include parent education programs, advocacy, community building activities and networking. Along with creating opportunities to build community connectedness for local Aboriginal children and families.
