

MATER HOSPITAL
A FACILITY OF
ST VINCENT'S
HEALTH AUSTRALIA

Registered Nurse - New Graduate Program

Employment type: Part-time (0.8 FTE = 4 days per week)

Facility: Mater Hospital Sydney

Founded by the Sisters of Mercy in 1906 the Mater Hospital has evolved from a small cottage hospital, to a world class facility and is part of St Vincent's Health Australia, one of Australia's leading Catholic not-for-profit healthcare providers.

At the Mater our patients' care and recovery is our highest priority. We work in partnership with our patients and their families to take a compassionate and holistic approach to healthcare. We view nurse graduates as our leaders of the future and that is why we invest in developing you clinically, professionally and personally. Our program assists in linking theory to practice and challenges you to excel.

ABOUT THE ROLE:

To be part of the Mater nurse program we are looking for remarkable graduate nurses who are passionate about nursing.

The role you are applying for here is:

New Graduate Nurse Program 2019 - Critical Care Stream

You must select one stream only for the New Graduate Nurse Program 2019. Multiple applications will not be accepted.

We offer Graduate Study Days, Orientation to departments, Individualised Learning Plans and have Educators and experience staff to assist you throughout your program.

Essential Criteria:

- You must have completed within the past 12 months an undergraduate degree in nursing; or are due to complete the same prior to the start date of the Mater graduate program for 2019
- Have no more than 6 months' work experience as a Registered Nurse since graduation, if you completed graduation within the past 12 months
- Meet all requirements and eligibility to apply for Nursing Registration with AHPRA
- Provide all required documentation as requested
- Provide documentation supporting Australian Residency status (i.e. proof of residency or citizenship - if applicable)
- Overseas students must have documented proof of English Language skills to an International English Language Testing System (IELTS) Academic Band 7 / or OET with score of B, or evidence of a booking for a test at the time of interview
- VISA (if applicable)
- Be able to undertake 11 months part time employment
- Display effective interpersonal skills and be able to build rapport with a diverse range of people
- Be able to accept professional accountability for own actions/practice
- Be aware of own limitations and scope of practice
- Have a strong ability to work closely with multidisciplinary teams and provide exceptional "Person Centred Care"
- Demonstrate commitment to ongoing professional development

APPLICATION INSTRUCTIONS:

Applicants are requested to apply online are expected to include a statement addressing the essential criteria, to be considered. When completing the application process, you will be asked to attach your CV. Please ensure that your attachments are either in MS Word or PDF file formats and that they have been scanned with virus protection software.

We are committed to equal employment opportunity, ethical practices, the principles of cultural diversity and promote a smoke free work environment.

Criminal record and/or child protection checks will be conducted and will form part of the selection criteria for this role.

Employment with the Mater Hospital Sydney is subject to you having current immunity status that complies with the Assessment, Screening & Vaccination against Specified Infectious Diseases - Policy Directive http://www.health.nsw.gov.au/policies/pd/2011/pdf/PD2011_005.pdf.

Appointment and ongoing employment will be subject to continued compliance with the policy directive.

Closing date: 20th July 2018
