### About The Opportunity

Do you enjoy helping people and having a direct influence on factors that can impact the environment and people's health? This is an identified position for an Australian Aboriginal or Torres Strait Islander person. The Trainee Environmental Health Officer position is the ideal opportunity for the right candidate to take the first steps to a successful and fulfilling career with an experienced and supportive team. You will be energetic and motivated to develop your skills and qualifications through a combination of on-the-job experience and formal training. This is a 6 year full time contract role. This role is a shared position with Wollondilly Council.

### What We Can Offer You

1. A meaningful career path in a growing culturally diverse community.
2. MAXXIA salary packaging options, with savings up to \$2000 per annum.
3. Discounted gym membership / Corporate wellbeing programs, including Fitness Passport.
4. Onsite staff parking (most facilities and services).
5. Annual Leave + 17.5% Leave Loading.
6. One Additional Day Off per month (ADO's).
7. Join the social club and enjoy discounted offers to Sydney attraction
8. Additional NSW Health Public Holiday between Christmas and New Years.
9. Great Paid Maternity and Parental leave provisions for parents.
10. Learning and development Opportunities, including in-house RTO and MyHealth Learning.
11. Professional growth, acting and accelerated career progression opportunities.

### Where You'll Be Working

At South Western Sydney Local Health District we are proud to be an equal opportunity employer, where we don't just accept differences but we honour and support it. Committed to providing a working environment that thrives and values diversity, we encourage people of Aboriginal and/or Torres Strait Islander background and people with a disability to apply.

Transforming Your Experience (TYE) is SWSLHDs key strategy to always positively transform your, our patients, our consumers, our staffs and our communities experiences across our organisation and services. Our vision is that our care is always safe, high quality and personalised and all our staff are supported and empowered to achieve their full potential. SWSLHD upholds the CORE Values – Collaboration, Openness, Respect and Empowerment.

### What You'll Be Doing

The Environmental Health Trainee will develop the skills to provide professional environmental health services to the LHD, Council and the Community. The Environmental Health Trainee will conduct inspections of food premises, swimming pools, premises with cooling towers, skin penetration premises, participate in the mosquito monitoring program and onsite sewage management systems with the guidance from experienced Environmental Health Officers (EHOs). The Environmental Health Trainee will participate in projects managed by the Public Health Unit or Council, such as Housing for Health projects.

The Environment Health Trainee is to become a qualified Environmental Health Officer through a shared arrangement with the Public Health Unit and a Local Council within the Local Health District catchment area. The Trainee will support and learn from the Environmental Health teams at the Public Health Unit and Council.

### How to Apply

To be considered for this position, please ensure you address the selection criteria as thoroughly as possible.
