

Phillip Island **NATURE PARKS**

Phillip Island Nature Parks is inviting suitably experienced Aboriginal and Torres Strait Islander artists to create a sculptural artwork for inclusion in the Welcome to Country area at the new Penguin Parade Visitor Centre. The purpose of this artwork is to recognise the Traditional Custodians of the land, the Bunurong people and welcome visitors to their Country.

We'd like the art piece to:

- represent the cultural heritage values of Millowl (Phillip Island);
- represent the Traditional Custodians, the Bunurong People;
- showcase the Penguin Parade as an iconic eco-tourism destination;
- add value to the quality of the experience to visitors from all over the world; and
- provide a visual piece that will capture and stimulate visitor interest, becoming a focal point that visitors can interact with and photograph.

Artists are invited to submit design concepts that address the criteria found in the expression of interest on our website.

For inquiries please contact the Project Manager, Ailsa Batey at abatey@penguins.org.au or on 0419850608.
