

Diabetes Service Nurse Manager

Darlinghurst, Sydney

Permanent

Salary: \$121,213.95 to \$123,465.59

Reference: JR104772

Position Summary:

A vacancy exists in the Diabetes Service for a highly motivated Nurse Manager with appropriate knowledge and skill to join our friendly and supportive team. Our progressive and innovative team offers development opportunities for our staff and a caring environment for the delivery of high quality patient centred care.

The successful applicant will work closely with our medical head of department to manage our Diabetes Service comprised of a cohesive team of nurses, endocrinologists, registrars, dietitians, a pharmacist and administrative staff. Care is provided for people with diabetes, their families and carers within the inpatient setting, outpatient clinic settings, via telehealth services and outreach clinics. The Nurse Manager is responsible for departmental strategy and planning, human resource and financial management. The successful candidate will be able to demonstrate strong clinical leadership, will support quality improvement initiatives, staff professional development and will maintain an active involvement in clinical care provision. The Diabetes Service Nurse Manager also manages the human resource components of the hospital's Clinical Genomics Unit counselling and administrative staff.

This position requires a Working with Children Check (WWCC) issued by the Office of the Children's Guardian. For more information and how to apply, please visit the Office of the Children's Guardian website www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check

The vacancy is open to Australian citizens, New Zealand citizens who hold a valid New Zealand passport, Australian permanent residents and those non-residents deemed by the Department of Immigration and Citizenship to be eligible to work in Australia only.

About St Vincent's Health Network Sydney:

St Vincent's Health Network Sydney is made up of three public hospitals, St Vincent's Hospital Sydney, Sacred Heart Health Service and St Joseph's Hospital at Auburn.
