

Registered Nurse

Darlinghurst, Sydney

Permanent

Salary: \$61,090.67 to \$85,781.57

Reference: JR104851

Position Summary:

Applications are sought from experienced Registered Nurses with an interest in the provision of clinical care in the community setting (home visits) and work in the ambulatory care setting (clinics).

This position sits with a dynamic community nursing team and provides treatment and coordinated care to patients in a range of clinical settings. Areas you will work in include general nursing care in the home, nursing clinics in the ambulatory care setting, providing hospital substitution in the Hospital in the Home (HITH) service, care coordination in for patients and carers with dementia. The registered nurse is responsible for the provision of patient centred, evidence based nursing care that embraces a quality improvement approach. Community nursing aims to promote positive health outcomes, focused on promoting independence. Care will be planned giving consideration to ethnicity, culture, gender, spiritual values, sexuality, age, disability and economic and social factors in consultation with the patient and family.

The nurse will work across a 7-day roster in a motivated multidisciplinary team environment, show leadership and embrace change. We will provide extensive training and ongoing support through access to the Clinical Nurse Educator, Nurse Practitioners, Geriatrician and Registrar, and we have many Clinic al Nurse Specialist Grade 2 (Wounds, COPD, Diabetes, Cardiac, Clinical Coordinators). The nurse will also assist in the provision of supervision and support for less experienced clinicians or students, whilst maintaining their own professional development and contributing to quality improvement projects.

This position requires a Working with Children Check (WWCC) issued by the Office of the Children's Guardian. For more information and how to apply, please visit the Office of the Children's Guardian website www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check
