

Nuclear Medicine Scientist

Darlinghurst, Sydney

Full Time Fixed Term Contract until February 2020

38 Hours per week

Position Grade: Level 2 (NMT201 to NMT 205)

Reference: JR104936

Position Summary:

A vacancy exists in the above unit for a highly motivated Nuclear Medicine Scientist with appropriate knowledge and skills to join our friendly and supportive team. Our progressive and innovative team offers development opportunities for our staff and a caring environment for the delivery of high quality patient centred care.

The MRS (Nuclear Medicine) at this level:

- Demonstrates independent and significant professional knowledge and judgement when performing clinical tasks.
- Takes an active part in multidisciplinary teams and gain experience in the more complex Nuclear Medicine procedures including Quality Improvement / Assurance activities.
- Is expected to provide a high level of patient care and continue to develop their knowledge regarding work place safety issues (e.g. Manual Handling, OH&S).
- Demonstrates significant ongoing commitment to continuing education and participates in undergraduate student education and departmental in-service lectures

About St Vincent's Health Network Sydney:

St Vincent's Health Network Sydney is made up of three public hospitals, St Vincent's Hospital Sydney, Sacred Heart Health Service and St Joseph's Hospital at Auburn. We are part of St Vincent's Health Australia, the largest diversified health care organisation within Australia's not for profit Catholic health care sector. As a Catholic health and aged care service provider, our mission is to bring God's love to those in need through the healing ministry of Jesus, with a commitment to those who are poor and vulnerable.

We are committed to equal employment opportunity, ethical practices, and the principles of cultural diversity and promote a smoke free work environment. Appropriate criminal record and child protection checks are conducted for all successful candidates. Employment with St Vincent's is subject to you having current immunity status that complies with the Assessment, Screening & Vaccination against Specified Infectious Diseases - Policy Directive Immunisation history complies with NSW Health Policy Directive PD2011_005. Appointment and ongoing employment will be subject to continued compliance with the policy directive.
