

**ST VINCENT'S
PRIVATE HOSPITAL**
SYDNEY

Resident Medical Officer (RMO)

Reference: JR108355

Type: Part time

Location: Darlinghurst, Sydney, Australia

(12 hour shifts / \$100 per hour)

Recognised as one of Australia's leading private hospitals, St Vincent's Private Hospital Sydney is a 310 bed acute care facility, including medical and surgical units, a rehabilitation unit and a young adult mental health unit. Critical to our success is achieving a great patient experience through excellence in compassionate care.

We are looking for to accredit some additional Resident Medical Officers. RMOs support our RNs and VMOs to deliver a high standard of patient care.

Essential:

- RMO PGY3 or higher
- Experience in surgical / medical / acute care hospital RMO work
- ALS
- Aseptic technique / hand hygiene
- Own indemnity insurance
- ABN so that you can invoice SVPHS
- Criminal record & working with children checks/ immunisations etc.
- Working rights in Australia

Benefits

- Gain extra experience working in a busy acute care hospital.
- Work directly with the Consultants in managing deteriorating patients. We also have an ICU registrar on duty 24/7.
- Pay is \$100 per hour flat rate
- RMO office with rest facilities.
- Be credentialed as a RMO at St Vincent's Private Hospital Sydney.
