

**ST VINCENT'S
PRIVATE HOSPITAL**
SYDNEY

Sterilising Technician

Location: Darlinghurst, Sydney

Type: Permanent

Reference: JR103613

Recognised as one of Australia's leading private hospitals, St Vincent's Private Hospital is a world-class medical and surgical facility and provides overnight and day only care across a broad spectrum of specialties. The 282-bed hospital cares for local, national and international patients. Our values derive from the mission and traditions of the Sisters of Charity. Firmly grounded in the Christian tradition, these are translated in to our values and are at the core of our workplace Culture.

Our Hospital is a designated Magnet facility demonstrating a high level of leadership, employee empowerment and professional practice creating an exciting and innovative place to work.

We are part of St Vincent's Health Australia, the nation's largest Catholic not-for-profit health and aged care provider and for over 105 years we have worked in partnership with our patients and their families. Our vision is to serve the community through excellence in care, teaching and research and to reach out to the poor and the marginalised.

Vacancy exists in the SSD for a highly motivated Sterilising Technician with appropriate knowledge and skills to join our friendly and supportive team. We are seeking suitably qualified personnel to fill this position. The successful applicant will be responsible for all aspects required to service all sterile equipment used directly for patient care. The position involves participation in a rotating roster including morning and afternoon shifts and weekends.

We are committed to equal employment opportunity, ethical practices, and the principles of cultural diversity and promote a smoke free work environment. Appropriate criminal record and child protection checks are conducted for all successful candidates. Employment with St Vincent's is subject to you having current immunity status that complies with the Assessment, Screening & Vaccination against Specified Infectious Diseases - Policy Directive Immunisation history complies with NSW Health Policy Directive PD2011_005.

Selection Criteria

- Sterilising Technology Certificate III from NSW TAFE or commitment to undertake the course within 6 months of commencement of employment
- Excellent written and verbal communication skills –
- Ability to work well in a team environment and individually
- Awareness of Quality Improvement and Work Health & Safety

The Benefits

We offer all employees the ability to maximise their income by reducing tax payable through salary sacrificing. We also offer our employees career-pathing and ongoing development and learning.

For further information about the position, please contact: vincent.cox@svha.org.au

Criminal record and/or child protection checks will be conducted and will form part of the selection criteria for this role.

We are committed to equal employment opportunity, ethical practices, and the principles of cultural diversity. As part of SVHA's commitment to the federal government's employment parity initiative, we strongly encourage Aboriginal and Torres Strait Islander people to apply.
