

**ST VINCENT'S
PRIVATE HOSPITAL**
SYDNEY

Nurse Unit Manager 3 – SBW (Orthopaedics)

Location: Darlinghurst, Sydney

Type: Permanent

Reference: JR102752

St Vincent's Private Hospital is a 277-bed acute care facility. We cater to a wide variety of medical and surgical specialties, utilizing cutting edge technology. SVPHS is a Magnet facility which demonstrates its high level of leadership, staff empowerment and professional practice, creating an exciting and innovative place to work.

Sister Bernice Wing comprises of two 25 bed ward units, a (50 bed) orthopedic service. This position requires a senior, motivated, experienced and enthusiastic individual to lead the clinical team, responsible for the overall management of this Unit. This position will work closely with our Surgeons, Bed Coordinator, Allied Health and Rehabilitation Manager maximizing flow and care of our patients.

We invite you to submit your application if you possess the following:

Essential Criteria

- Authority to practice nursing as Registered Nurse with AHPRA
- Previous experience in managing and leading teams or similar senior roles
- Tertiary post graduate qualifications in management or Nursing specialty (or working towards)
- Minimum 5 years clinical experience
- Demonstrated "Can do" attitude and customer service skills
- Demonstrated Management and Leadership skills
- Demonstrated high level of communication skills with key stakeholders
- Demonstrated expertise in clinical care and orthopaedics specialty
- Strong commitment to a continuous improvement philosophy and best practice
- Demonstrated skills in conflict resolution and negotiation
- High-level computer literacy
- Commitment to continued professional development

As St Vincent's Private Hospital employees can take advantage of generous tax free salary packaging benefits through Smart Salary.
