## Youth and Family Worker - Youth on Track

Part Time - 68 Hours per fortnight

SCHCADS Level 4

Location: Coffs Harbour NSW

Social Futures is a voice for social change in regional Australia, helping to create connected, resilient communities. With more than 40 years' industry experience, we are a community service leader, striving to create change through our work across homelessness and housing supports, youth and family services, sector advocacy and programs that promote genuine participation for people with disability. Social Futures currently serves more than 80% of regional New South Wales.

Social Futures is proud to be a White Ribbon accredited workplace and is committed to ensuring we have a safe and respectful workplace for all. We acknowledge that all people can be victims of violence and that all violence is unacceptable. The White Ribbon Committee is focused on addressing men's violence towards women because of the underlying power inequality and sexism that sustains gender-based violence and the disproportionately high prevalence of this type of violence in the community.
