

# Health Literacy Project Officer Aboriginal and Torres Strait Islander Identified Role

**\$89,991 plus superannuation, generous salary sacrifice, and 6 weeks' annual leave**

Based in Darwin or Alice Springs. Full Time, Maximum Term to 30 June 2021.

Northern Territory PHN leads the development and coordination of an equitable, comprehensive primary health care system and an engaged health workforce driven by community needs.

Health Literacy is an important tool to facilitate patient and clinician engagement and improve quality of care and outcomes for patients. NT PHN has developed a three year Health Literacy Strategy to ensure that across its wide range of activities, the health literacy needs of the community are understood and addressed, to ensure maximal engagement and understanding of key activities and health topics.

NT PHN are currently recruiting a Health Literacy Project Officer. This role will work across the organisation and engage strategically to embed the principles, activities and processes of the Health Literacy Strategy.

**NT PHN considers that being Aboriginal or a Torres Strait Islander is a genuine occupational requirement for this position under sub-s 35(1)(b)(ii) of the Anti-Discrimination Act 1996 (NT)**
