

## **2017 DST Group Cadetship Program**

### **Recruiting Australia's Brightest STEM students**

- **Paid part-time while you study**
- **Generous financial assistance**
- **Guaranteed job at completion**

As one of the world's leading defence science organisations, the Defence Science and Technology (DST) Group is committed to providing entry level employment opportunities in science, technology, engineering and mathematics (STEM). The DST Group Cadetship Program is designed to support high performing Australian undergraduate students during their degree through:

- Ongoing (permanent) employment with a salary of \$31,180 pa (plus 15.4% superannuation) during your cadetship;
- Payment of compulsory university fees (i.e. course fees) during your cadetship;
- \$500 per semester book/resources allowance;
- 60-days (minimum) DST Group work placements per annum; and
- Guaranteed employment with DST Group with a salary of approximately \$64,000 pa (plus superannuation) on successful completion of the cadetship.

### **The DST Group Difference**

At DST Group you will be offered a career, not just a job. This starts with the security of permanent employment supported by extensive scientific and professional development programs throughout each stage of your career.

You will experience a stimulating and dynamic environment for innovation and creativity which has earned DST a world-class reputation for scientific excellence.

You will work and be mentored by some of the world's brightest scientists across a wide range of disciplines to deliver innovative solutions. And you'll share in the rewards – challenging projects, a supportive team environment, and flexible, lifestyle-friendly work conditions.

### **Diversity**

DST Group strongly encourages applications from Indigenous Australians, people from diverse cultural and linguistic backgrounds and people with disabilities.
