**Director - ICT (Specialist)**

**Executive Level 2 (\$121,322 - \$137,021) plus superannuation**

**Ongoing, Full-time  
Barton, ACT**

The department is seeking qualified, experienced and motivated individuals to work within the Information Management and Technology Division in various technical management roles across the division.

As an ICT Director, you will be capable of managing technical and enabling functions on a global scale.

You will be comfortable with technical complexity, operating with autonomy, have demonstrable experience in managing the full life cycle of ICT infrastructure and/or delivering key enabling functions such as program, project and resource planning to drive delivery and performance of key infrastructure services to support DFAT's international network of posts.

Ideally, candidates will have tertiary qualifications in a relevant discipline.

Technical qualifications, ICT professional certification or demonstrated equivalent experience in one or more ICT disciplines such as application development, project management, network and telecommunications, ICT procurement, contract management and ICT operational support are desirable.

Candidates must be Australian citizens.

To be eligible for engagement successful candidates will undergo a comprehensive security assessment. Employment in the department is dependent on gaining a valid security clearance. Loss of a security clearance at any time will lead to termination of employment. This is a security-designated position and you will be required to have or be able to obtain a security clearance to Negative Vetting Level 2 prior to commencement.

Should you be successful in securing a position from this recruitment process you will be required to undergo a security clearance. A face-to-face interview is a critical part of the security clearance process. This interview will be conducted in Australia, preferably in Canberra. If you reside overseas please be aware that you will be required to travel to Canberra at your own expense to undertake the security interview. Interviews cannot be conducted by video link or Skype.

Applicants' attention is drawn to the department's policy on recruitment or promotion to specialist positions. These positions are categorised as "specialist". Staff recruited to these positions will be required to remain in their area of specialisation for the duration of their employment with the department, unless they are successful in a subsequent merit-based selection process.

DFAT employees are expected to adhere to the APS values and employment principles in terms of performance and standards of behaviour.

Please visit the [DFAT website](#) to view further details of the position and to submit an online application by Monday 1 May 2017 at 2pm AEST.
