

Australian Government

Department of Jobs and Small Business

INFLUENCE CHANGE

We are looking for more Indigenous Australians to help us make Australia a great place to work.

We respect and value your input and insights in to our policies and programs, which help Australians find and keep work. Work with us and influence decisions which impact on you and your community.

Help make a difference. Register your interest on the Department of Jobs and Small Business's Indigenous Merit Register.

First to be Project program managers
