

# NURSING DIRECTOR (Identified)

**Location:** Townsville Hospital and Health Service

**Salary:** \$120,613 - \$126,460 per annum

## ABOUT THE ROLE

With access to the beach, rainforest and the Outback, we can offer you a relaxed tropical lifestyle coupled with fantastic remuneration and benefits.

As the Nursing Director for Aboriginal and Torres Strait Islander Health, you will be expected to:

- Provide nursing leadership and action to assist Townsville Hospital and Health Service (THHS) staff to improve the health outcomes of Aboriginal and Torres Strait Islander patients.
- Develop and support the delivery of effective workforce strategies to increase recruitment and retention of Aboriginal and Torres Strait Islander nursing and midwifery staff with THHS.
- The role will promote positive collaborative working across all services, both internal and external to the Hospital and Health Service (HHS), to improve the outcomes for Aboriginal and Torres Strait Islander patients.
- In addition to good clinical skills, cultural awareness and understanding is an important component of this position.
- Travel will be required in this position, both within the THHS and throughout Queensland which may include travel by small aircraft.
- As this is an identified position, we encourage applicants of Aboriginal or Torres Strait Islander descent to apply.

## WORKING AT THE TOWNSVILLE HOSPITAL & HEALTH SERVICE

The Townsville Hospital and Health Service provides complex, high-level services across a wide range of specialties including maternity and children's health, perioperative, mental health and general medical/surgical. In addition to The Townsville Hospital, THHS delivers clinical services in eight other locations over 149,500 square kilometres. Our services in these areas include rural hospitals, health centres, multi-purpose health services, mental health rehabilitation, clinics and aged cared. We strive to deliver excellence in healthcare by adapting a 'person centred' approach to care across our patient's lifespan. Additionally we are the only tertiary hospital in North Queensland that offers you the right blend of professional enhancement and fulfilling work coupled with a relaxed lifestyle in the tropics.
