Innovation and Science!*

The Graduate Development Program at the Department of Industry, Innovation and Science is a great way to start your career in the Australian Public Service.

Our two-year program offers specialised on-the-job capability development and training; four work placements; opportunity for advancement after the first year; a graduate certificate qualification in management or economics.

HOW TO APPLY

Our on-line application will be open from **14 March 2018** and closes on **30 April 2018**. For more information visit **www.graduates.industry.gov.au** for videos, important dates and tips on applying.

WE SUPPORT DIVERSITY AND INCLUSION

When our employees are comfortable and can express themselves in an authentic way, they are more likely to perform better, which increases engagement and contributes to the department as a whole. Inclusion is an important priority for us. We are focused on building a workplace which enables a sense of belonging, team work and inclusion where all employees, regardless of their background and experiences, can be connected and enjoy a healthier, more successful future together.

Applications are encouraged from Aboriginal and/or Torres Strait Islander people, people with a disability, the LGBTIQ+ community and people from diverse cultural and linguistic backgrounds.
