**Non-Ongoing full time positions for a period of 3 years with a possibility of extension**  
**Location: Pyrmont, Darling Harbour NSW 2009**  
**Executive Level 1: \$89,796 - \$98,904 plus 15.4% superannuation per annum**

**What will you do?**

We have two positions that have become available in our major award winning project team. As a project manager within one of Australia’s leading museums, you will be responsible for full life-cycle project management including stakeholder management, scope definition, business case development, feasibility, planning, design and delivery. Working on high profile site, you will be the Project Manager providing professional advice throughout all stages of the project.

***T181 – Project Manager Construction***

Initiate, plan, direct, and coordinate the activities of complex projects to ensure that the objectives are achieved on schedule, within the approved budget, and to the required standards as required to achieve each project’s specified outcomes.

***T182 - Project Manager Programs***

Initiate, plan, direct and coordinate delivery of capital works and complex programs (including exhibitions and associated outreach) to ensure that the objectives are achieved on time, within the approved budget and to the required standards.

Located within the Project Management Office (PMO), working under the direction of the Head of Projects, these positions will operate as part of a small team to progressively improve accountability for project and program delivery across the museum.
