The Positions

AHL is currently recruiting enthusiastic candidates for Residential Youth Workers – challenging roles where you can make a difference. If you have relevant experience working with secondary school students providing pastoral care during out of school hours, then we would encourage you to apply. Kardu Durrikardu Numida Hostel is located in Wadeye, NT.

Wadeye is a small remote town situated on the western edge of the Daly River Reserve, about 230 km south-west of Darwin. The town was formerly known (and is still often referred to) as Port Keats. For approximately eight months of the year during the wet season, the town of Wadeye and outer communities such as Palumpa and Peppiminarti, can only be accessed by air.

This position will require shift work as the Hostel is operational on a 24/7 basis. To be successful in this challenging role – you will need to be hard working, have boundless energy and show empathy, patience and respect for the people you work with (young people, staff and management). You will need to be a self-starter, be honest in your approach and have passion for working with adolescents from Indigenous backgrounds.

What We Offer

A diverse and inclusive workplace, AHL offers great employment conditions including attractive remuneration packages, superannuation, salary sacrifice options and an opportunity for training and career advancement. AHL Salary Packaging Program includes a benefit of up to \$15,900 per FBT year for mortgage or rent payments, allowing staff to further reduce their tax payments, providing more net (take home) pay.
