Business Engagement Partner Information Technology Services

- **5 year fixed term, full-time position**
- **An attractive remuneration package commensurate with experience will be offered to the successful applicant**
- **Ref: 0048C02/201629**

Information Technology Services has responsibility for the delivery of technology solutions to the University. Murdoch University has established a 5-year Technology Investment plan and we are seeking to appoint an experienced professional to drive business engagement and be part of the team to deliver on the plan.

The Role

This is a key role to establish and lead the relationship between the Information Technology Services division and the University. In collaboration with key stakeholders you will lead a variety of different types of projects including new business initiatives and services, enterprise system implementations and business process reengineering.

An essential aspect of this role is to manage a business portfolio, understand their business goals, serve as a subject matter expert and be a driving force behind the introduction of innovative technology solutions to maintain Murdoch University's position at the forefront of Research, Teaching and Learning.

Skills and Experience

The successful candidate will have sound business and technical acumen, with demonstrated experience and understanding of major trends within the Higher Education Sector and their impact on Information Technology Services. As well as proven people management skills, with team leadership, coaching and mentoring to develop a high performing team focused on delivering business outcomes. Postgraduate qualifications, experience with project and change management methodologies and knowledge bases including Prince2, PMBOK and Prosci and, or an equivalent combination of relevant experience and/or education/training.

Think Murdoch

Recognised by The Times Higher Education as one of the top 100 universities in the world under the age of 50, Murdoch University is internationally recognised as a research-led institution.

This is a great time to join Murdoch. There are a multitude of opportunities and exciting projects that are presented by the State Government Activity Centre on our doorstep. The co-location of the New Fiona Stanley Hospital and the St John of God Hospital provide many synergies for our learning and teaching, research and community engagement.
