

**Murdoch**  
UNIVERSITY  
PERTH WESTERN AUSTRALIA

## **Lecturer in Clinical Biochemistry**

### **School of Veterinary Life Sciences**

- **Continuous, Full-time Position - Commencing in March 2017**
- **\$89k-\$106k plus 17% superannuation and salary packaging opportunities**
- **Ref: 0211B14/201625**

This is a fantastic opportunity to join a dedicated team of academic and professional staff in the School of Veterinary and Life Sciences, which includes Western Australia's only College of Veterinary Medicine.

#### **The Role**

The School of Veterinary and Life Sciences is seeking to appoint a Clinical Biochemist primarily to teach clinical biochemistry within our new Laboratory Medicine program which commenced in 2015.

For further information about this position, please refer to the Position Description.

#### **Skills and Experience**

The successful candidate will have professional experience in one or more disciplines of diagnostic pathology including clinical biochemistry and be a member, or eligible for AIMS membership, as well as research experience with a publication track record in a relevant area. You will be expected to develop an active research programme, apply for nationally competitive grants and supervise postgraduate students.

#### **Think Murdoch**

Recognised by The Times Higher Education as one of the top 100 universities in the world under the age of 50, Murdoch University is internationally recognised as a research-led institution.

This is a great time to join Murdoch. There are a multitude of opportunities and exciting projects that are presented by the State Government Activity Centre on our doorstep. The co-location of the New Fiona Stanley Hospital and the St John of God Hospital provide many synergies for our learning and teaching, research and community engagement.
