

Murdoch
UNIVERSITY
PERTH WESTERN AUSTRALIA

Lecturer in Veterinary Reproduction (Theriogenology)

College of Veterinary Medicine

- **24 months Fixed Term, Full-time Position**
- **Clinical/Professional Practice Scholar**
- **\$89k-\$106k plus 9.5% superannuation and salary packaging opportunities**
- **Ref: 1061A01/201626**

The Role

We have a new position available for an enthusiastic, experienced veterinarian to join our veterinary reproduction team at Western Australia's only Veterinary School. The successful applicant will be responsible for providing and expanding The Animal Hospital's Veterinary Reproduction services, through managing assisted reproduction and breeding of horses and other species as required. You will also be critically involved in training of undergraduate and postgraduate students, with opportunities to develop further advanced techniques in animal reproduction.

For further information about this position, please refer to the Position Description.

Skills and Experience

- The successful candidate will have:
- Veterinary degree registrable by the Veterinary Surgeons' Board of WA
- Significant experience in equine assisted reproduction
- Experience in reproduction of other animal species an advantage
- Teaching experience at a tertiary level will be highly regarded.

Think Murdoch

Recognised by The Times Higher Education as one of the top 100 universities in the world under the age of 50, Murdoch University is internationally recognised as a research-led institution.

This is a great time to join Murdoch. There are a multitude of opportunities and exciting projects that are presented by the State Government Activity Centre on our doorstep. The co-location of the New Fiona Stanley Hospital and the St John of God Hospital provide many synergies for our learning and teaching, research and community engagement.
