

Data Analyst

Applications close Friday 20th of September 2019

Located in Sydney, NSW

Part time – 30.4 hours per week

12 month contract, with potential for extension

Salary range from \$75,000 to \$95,000 (depending on experience) + superannuation contribution + eligibility for salary packaging

The Network of Alcohol and other Drugs Agencies (NADA) is the peak organisation for non government alcohol and other drugs services in NSW. We advocate for, strengthen and support the sector. As a member driven peak body, NADA's decisions and actions are informed by the experiences, knowledge and concerns of its membership.

This is an exciting position for an experienced Data Analyst to focus on Alcohol and Drug client treatment data from the non government sector – analysing data to inform NADA's ability to support and promote the quality and evidenced-informed care provided by NADA members. If you have demonstrated experience using Structured Language Query (SQL) and Microsoft Power Business Intelligence, an ability to analyse and construct reports that provide insights to a broad audience we would like to hear from you. The successful candidate for this position will have highly organised administrative skills, excellent computer knowledge and skills and possess strong written and verbal communication skills.

Aboriginal and Torres Strait Islander people are encouraged to apply.
