

Manager – Program Performance and Improvement, Canberra, Sydney or Brisbane (ongoing)

Salary: \$106,962 - \$118,747, plus superannuation of 15.4% p.a.

Are you:

- passionate about achieving economic development outcomes for Aboriginal and Torres Strait Islander peoples
- experienced in team management and operational support
- a strong achiever with great stakeholder engagement skills?

Working collaboratively across IBA, the Program Performance and Improvement (PPI) is a key enabling function in service delivery for IBA Enterprises. The Team supports the operational delivery of services to Aboriginal and Torres Strait Islander customers by ensuring that each team has the systems, the skills and the processes to be as effective and as efficient as possible.

The successful applicant will play a key role in:

- developing, monitoring and reviewing program performance
- implementing key strategic projects
- translating the program strategy into operational objectives for a team of skilled officers and ensuring a seamless execution.

Aboriginal and Torres Strait Islander people are strongly encouraged to apply.

For further information including the job description, selection documentation and mandatory requirements for applications go to www.iba.gov.au. If you have any questions after reading this material please contact Camille Kirby on 07-3008 8311 or email her on camille.kirby@iba.gov.au

Applications close on 15 October 2017.
