

Project Officer, Integrated Water Management (Regional)

Location: Level 11, 8 Nicholson Street, East Melbourne

Salary: \$82,574 - \$93,689 + super.

Position No: 927647

- Deliver key elements of the Governments Water Plan
- Join a team with a forward-looking focus
- Location: Melbourne CBD

The Project Officer, Integrated Water Management (IWM) – Regional primary purpose is to assist the Regional IWM team with the delivery of key elements of the Governments Water Plan, namely embedding IWM across Victoria to assist in transforming Victoria’s cities and towns into the most resilient and liveable in the world.

We are building an inclusive workplace to help realise the potential of our employees, embrace our differences, and apply our diverse thinking to innovation and delivering services to Victorian communities. All jobs can be worked flexibly and we encourage job applications from Aboriginal people, people with disabilities, young people and people from culturally diverse backgrounds.

As the Project Officer for Integrated Water Management you will be tasked with managing and delivering sub-projects and preparing technical reports for review. You will be required to contribute to strategic policy development and innovation across the business. In doing so you will influence and provide advice to support project partners managing specific plans, projects or investigations with regard to aspects of IWM. This will require you to develop and maintain collaborative relationships with internal and external stakeholders across the water industry to socialise concepts, support project initiatives, understand their issues, negotiate, share knowledge and indirectly influence outcomes.

The successful candidate will possess a tertiary qualification in science, engineering, economics, urban planning or related field, as well as have demonstrated experience in project management and stakeholder management.

This is a fixed term position available until June 2020.

To be considered for this position, your application should include a supporting statement demonstrating that you meet the key selection criteria and any job requirements specified in the position description.
