

Forest Management and Roding Officer – Broadford

Location: Broadford

Salary: \$66,699 to \$80,987+ Super

Position No: 926024

- Engage with the community and stakeholders across Murrindindi District
- Deliver natural resource programs and projects
- Location: Broadford

Lead the delivery of forest and fire programs across the Mt Disappointment and Tallarook State forests

We are building an inclusive workplace to help realise the potential of our employees, embrace our differences, and apply our diverse thinking to innovation and delivering services to Victorian communities. All jobs can be worked flexibly and we encourage job applications from Aboriginal people, people with disabilities, young people and people from culturally diverse backgrounds.

Working as part of the Murrindindi District, the Forest Management and Roding Officer will be based in Broadford and lead the delivery of forest and fire programs across the Mt Disappointment and Tallarook State forests.

You will be responsible for the wide range of uses and issues relating to management of State forests and your tasks will include planned burning, fire management activities, road maintenance, recreation and compliance patrols, recreation facility design, construction and maintenance, work crew supervision, contract management and pest plant and animal control.

This position requires engagement with the community and stakeholders across Murrindindi District and will be the primary contact for enquiries associated with Mt Disappointment and Tallarook state forests.

We are looking for someone with a passion for the natural environment who works well with people and is able to deliver natural resource programs and projects.

The successful candidate will have an appropriate qualification in science, natural resource management or approved equivalent and /or relevant experience would be desirable.

This is an ongoing position.

To be considered for this position, your application should include a supporting statement demonstrating that you meet the key selection criteria and any job requirements specified in the position description.
