- **Great opportunity to expand your career**
- **Diverse and challenging policy work**
- **Permanent full time role in the CBD**

The Strategy and Performance division within the Department of Environment, Land, Water and Planning is seeking a motivated and dedicated professional to undertake the roles of Senior Policy Officers.

We are building an inclusive workplace to help realise the potential of our employees, embrace our differences, and apply our diverse thinking to innovation and delivering services to Victorian communities. All jobs can be worked flexibly and we encourage job applications from Aboriginal people, people with disabilities, young people and people from culturally diverse backgrounds.

As the Senior Policy Officer, Strategic Integration you will be closely involved in the integration of cross-portfolio policy and strategy initiatives; and the development and implementation of medium - long term policy solutions.

This position will support the Manager Strategic Integration to develop evidence based drivers for change to ensure a positive impact on the implementing, monitoring, and reviewing of organisational strategy. Key to this role is the ability to collaborate and influence stakeholders in developing solutions that ensure 'the customer is at the centre'. This includes developing relationships to enable inter/intra departmental collaboration beyond individual portfolios, particularly in carrying out organisational improvement initiatives and innovation processes.

These positions are ongoing.

To be considered for this position, your application should include a supporting statement demonstrating that you meet the key selection criteria and any job requirements specified in the position description.
