Forensicare

Senior Mental Health Clinician – Community Treatment and Transition Program

- Full-time Ongoing
- 15 minutes from Melbourne's CBD

Forensicare is the statutory agency responsible for the provision of adult forensic mental health services across Victoria. This position is located at the Community Forensic Mental Health Service (CFMHS) in Clifton Hill, 15 minutes from Melbourne's CBD. CFMHS is a specialist state-wide agency that works with individuals who have a serious mental health illness and have offended, or are at risk of offending.

About the role:

The Community Treatment and Transition Program provides mental health treatment and supervision of forensic patients transitioning from Thomas Embling Hospital to ensure they are adequately supported through their reintegration back into the community.

Duties:

- Case management
- Ongoing mental state and risk assessment
- Consultation and liaison with internal and external stakeholders to support discharge planning
- Provision of reports and evidence to court

Qualification, skills and experience:

- Approved degree in Social Work, Occupational Therapy, Psychiatric Nursing or Psychologist, is registered with AHPRA or have other qualifications approved for membership of the Australian Association of Social Workers.
- Minimum 5 years post qualifying experience within mental health preferably recent experience in community mental health setting.
- Demonstrated experience and competency in conducting mental health and risk assessments and in planning, implementing, co-ordinating and evaluating complex case management interventions within recovery framework.
- Demonstrated ability to provide leadership within multidisciplinary team
- Knowledge of relevant legislation

Benefits:

- Great salary packaging conditions
- Excellent leave entitlements
- Ongoing training and full orientation
- Comprehensive Health and Wellbeing Programs
