

Project Officer

Location: Gippsland Region

Salary: \$84,019 to \$95,329+ super.

Position No: 932260

- **Opportunity to join the Planning Implementation team at DELWP**
- **Contribute to major land use planning projects**
- **Location: Gippsland Region**

The Planning Implementation Division is responsible for the delivery of key planning strategies and projects. The Department is supportive of flexible working arrangements.

We are building an inclusive workplace to help realise the potential of our employees, embrace our differences, and apply our diverse thinking to innovation and delivering services to Victorian communities. All jobs can be worked flexibly, and we encourage job applications from Aboriginal people, people with disabilities, young people and people from culturally diverse backgrounds.

An exciting opportunity exists for a Project Officer to join the Planning Implementation team at DELWP. We are looking for someone who is enthusiastic and experienced and wants to develop within a dynamic work environment; someone who wants to grow their skills in the field of integrated land use planning. We are particularly interested in people who are experienced in engaging with local communities and key stakeholders and have the proven ability to support the delivery of complex projects. Technical strategic and statutory planning skills are preferred.

You will undertake complex research, investigations and analysis on land use planning or development issues and documents that are clear and concise within expected timeframes, whilst contributing to the effective delivery of projects and delivering key information to internal and external stakeholders and communities.

The successful candidate will possess a relevant qualification in planning, environment, social sciences, economics, landscape design and/or a related field, with demonstrated experience working on projects in the public, private or non-for-profit sector. You will have sound conceptual and analytical skills, including the ability to undertake research, identify strategic issues and develop appropriate solutions. This position provides an opportunity to contribute to shaping significant long-term outcomes in the Gippsland region of Victoria.

This is a fixed term, part-time position available until 30 June 2020.

To be considered for this position, your application should include a supporting statement demonstrating that you meet the key selection criteria and any job requirements specified in the position description.
