

Senior Project Officer

Location: Geelong

Salary: \$96,942 to \$117,293 + super.

Position No: 932259

- Opportunity to join the Planning Implementation team at DELWP
- Lead major land use planning projects
- Location: Barwon South West – Geelong

The Planning Implementation Division is responsible for the delivery of key planning strategies and projects. The Department is supportive of flexible working arrangements.

We are building an inclusive workplace to help realise the potential of our employees, embrace our differences, and apply our diverse thinking to innovation and delivering services to Victorian communities. All jobs can be worked flexibly and we encourage job applications from Aboriginal people, people with disabilities, young people and people from culturally diverse backgrounds.

An exciting opportunity exists for a Senior Project Officer to join the Planning Implementation team at DELWP. We are looking for someone who is enthusiastic and experienced and wants to develop within a dynamic work environment; someone who wants to grow their skills in the field of integrated land use planning. We are particularly interested in people who are experienced in engaging with local communities and key stakeholders and have the proven ability to support the delivery of complex projects. Technical strategic and statutory planning skills are preferred.

You will lead the development and implementation of major land use planning and development projects demonstrating effective project management and ensuring that business objectives and targets are met, while leading complex and sensitive community and stakeholder engagement including the development and delivery of strategies outlined in action plans.

The successful candidate will possess a relevant qualification in planning, environment, social sciences, economics, landscape design and/or a related field, with demonstrated experience in leading the delivery of complex land use planning projects, managing project teams and project governance in the public or private sector. You will have demonstrated the ability to build awareness and understanding of economic and political trends that may affect the economy and consider the ramifications of these emerging issues and long-term impacts. This position provides an opportunity to contribute to shaping significant long-term outcomes in the Barwon South West region of Victoria.

This is a fixed term part-time position available until 30 June 2020.

To be considered for this position, your application should include a supporting statement demonstrating that you meet the key selection criteria and any job requirements specified in the position description.
