

Assistant Data Officer (Topographic)

Location: Bourke Street, Melbourne

Salary: \$67,866 - \$82,404 + super.

Position No: 50933415

We are building an inclusive workplace to help realise the potential of our employees, embrace our differences, and apply our diverse thinking to innovation and delivering services to Victorian communities. All jobs can be worked flexibly and we encourage job applications from Aboriginal people, people with disabilities, young people and people from culturally diverse backgrounds.

The Assistant Data Officer (Topographic) is responsible for the creation of digital and hard copy mapping products, performing quality assurance on the topographic maps to ensure that all outputs meet mapping specifications and assist in Laverton store activities; including georeferencing historic data, storage and delivery of topographic maps.

The successful candidate must have a strong understanding of the process used to produce topographic mapping products. Completion of relevant tertiary and/or industry qualifications as well as 3 to 5 years' experience in managing spatial data is highly desirable.

This is a fixed term position available for 24 months.
