

# Aurora Internship Program

PAID INTERNSHIPS THAT BUILD YOUR CAREER AND YOUR IMPACT

Are you a First Nations university student or graduate looking to take the next step in your career?

The **Aurora Internship Program** offers paid placements with purpose – giving you the chance to gain experience, grow your confidence, and contribute to work that matters.

Interns are placed in organisations working to improve outcomes for Aboriginal and Torres Strait Islander communities. From grassroots nonprofits to research institutes, government, and the private sector. You don't need to have it all figured out, just bring your curiosity, commitment, and lived experience.

## WHAT YOU'LL GET:

- Real-world experience in fields like law, education, health, policy, research, and business
- \$180 daily stipend (up to \$900/week)
- Up to \$3,800 in travel and accommodation support for placements away from home
- Many placements can count towards your uni course or placement hours
- Build professional networks in a culturally safe and supportive environment

## WHY IT MATTERS:

You'll gain practical skills, build your confidence, and work alongside people who value your perspective. 100% of recent interns said the experience was meaningful, and many went on to secure jobs or further study opportunities.

Aurora Education Foundation is a First Nations-led organisation that backs Aboriginal and Torres Strait Islander students and graduates to thrive in education and beyond.

## YOU'RE ELIGIBLE IF YOU:

- Are Aboriginal and/or Torres Strait Islander
